

SMILE Preschool + Nursery JC
COVID-19 SAFETY PROTOCOLS

Face coverings or masks

Prevents illnesses from spreading while speaking, coughing, or sneezing

Handwashing and sanitizing

Conducted throughout the day to avoid transfer of germs to surfaces

Social distancing

Curtails close contact and reduces transfer of germs

All staff are educated in routine cleaning, sanitizing and disinfecting throughout the day

Eliminates and reduces exposure to germs on surfaces and in common areas

HEPA filtration system

Removes pollutants and allergens including dust, pollen, mold, bacteria, and other harmful particles from the air

Shield guards, room dividers and individualized work spaces for each student

Limits the number of occupants in each space and avoids the transfer of germs from one area to another

Controlled entry

- Parents and/or guardians are not allowed to enter the premises for drop-off or pick-up
- Tours are scheduled by appointment only, before and after operating hours

Temperature checks

Digital thermometer is used to check the temperature of all individuals, before they are allowed to enter the premises
